## CENTRE MANAGER APPOINTED FOR CHAPELFIELD, NORWICH

Steve Bunce has been appointed Centre Manager for Chapelfield Norwich. The centre, which is scheduled to open in September 2005, is being developed by Lend Lease, and will be purchased and managed by Capital Shopping Centres on completion.

Steve started his career in a retail role with Marks & Spencer, moving on to several operational roles. He then joined Invision Microsystems, managing major video screen installations including the Radio 1 Roadshow. Steve became involved with The Trafford Centre, Manchester during its development when he managed the installation of the centre's giant screens. He joined the centre's management team as General Manager in 1999, gaining a comprehensive knowledge of running a shopping centre. He became Director of Operations in 2001.

Steve has joined the team during Chapelfield's development in accordance with CSC's normal practice of ensuring that a Centre Manager has an in-depth knowledge of a centre and its catchment well before opening. Over the next year, he will be based in Norwich, getting to know the area and becoming involved with the life of the City.

Steve (39) is married with 2 young children. He grew up in Gloucestershire and has just moved to Norwich. He is a keen football supporter.
