Driven to success!!

One lucky boy zoomed off with a fantastic prize last month at the **Glades Shopping Centre, Bromley.**

Finlay Miller from Charlton was the proud owner of a brand new Scalextric digital driver set, courtesy of model shop, **Modelzone.**

The 7 year old was fortunate to be the winner of a free prize draw run by Modelzone during their **Scalextric Roadshow** held at the centre in July.

AJ Patmore-Mcgowen, Modelzone's manager commented, "**The roadshow itself was a great success and it is nice to see the prize going to such a happy little boy**".

When Finlay's father Dominic Miller was asked if his son would enjoy the prize he said, "**Most definitely he's very excited, I think I will too!**"
