PRESS RELEASE

Autumn Adventures this Half Term at The Potteries Shopping Centre

This half term there will be two free events at The Potteries Shopping Centre to entertain children who are out on a shopping trip.

On Tuesday 23rd October children can join Alfred the Adventurer who will be holding storytelling sessions about his travels. Then on Thursday 25th October children can get creative with our Autumn Art Craft Workshops where children can make woodland collages, paper scarecrows and leaf print animals. Both events are free and children will take home a free gift.

Marketing Manager, Sandrine Eglizeaud, said "Due to popularity of previous children's events we are holding some more this half term. They will be good fun and provide children with something to do on their shopping trip!"

Sessions take place at 11am, 12noon, 1pm, 3pm and 4pm by River Island on the Middle Mall. Places are limited so it is advised to arrive early to avoid disappointment.
